(solo il testo della canzone)

Strangers in the night exchanging glances,
wondering in the night what were the chances
we'd be sharing love before the night was through.

Something in your eyes was so inviting,
something in your smile was so exciting,
something in my heart told me I must have you.

Strangers in the night two lonely people we were,
strangers in the night up to the moment
when we said our first "hello"
little did we know love was just a glance away,
a warm embracing dance away
and ever since that night we've been together,
lovers at first sight in love for ever,
it turned out so right for strangers in the night.

Strangers in the night two lonely people we were,
strangers in the night up to the moment
when we said our first "hello"
little did we know love was just a glance away,
a warm embracing dance away
and ever since that night we've been together,
lovers at first sight in love for ever,
it turned out so right for strangers in the night
